Syllabus

BUS 240 Dynamics of Leadership

General Information

Date April 26th, 2022

Author Chris McNamara

Department Business

Course Prefix BUS

Course Number 240

Course Title Dynamics of Leadership

Course Information

Catalog Description This course is a management course designed for the student to reflect and self-discover. Through the study of proven leadership theories and their practical applications, the student will: develop their own leadership style, focus their values and beliefs, develop their communication and interpersonal skills, and enhance their decision making and problem solving abilities. Students will be encouraged to embrace and develop a leadership style best suited to their individual personality, attributes and temperament.
