Course Learning Outcomes

1. Learning outcomes will vary with the topic. Individual course creators should select appropriate outcomes.

Outline of Topics Covered

Each "Topic" offered will have different material covered. In general, our guidelines within the Department are to offer topics that are not covered in other courses, are explored in greater detail than in other courses or are being considered for inclusion in another course or as stand- alone courses. Recent examples of HRT Topics offered: Art and History of Horticulture and Floral Design.
